PROSPECTUS

Call For All Artists:

Catadores (kata'dores) – Specialists possessing one of the greatest jobs on earth; Catadores are the skilled tasters who quality check cigars daily.

While they do not handle any tobacco leaves, cigar catadores are essential in the manufacturing of fine cigars. The catador is said to be found sitting in front of all torcedores (cigar rollers) reading aloud the daily newspaper and various books so as the monotonous work does not bore the torcedores. Some Cuban cigar brands, like Montecristo and Romeo y Julieta, are named after the famous books of Alexandre Dumas and William Shakespeare, which were the favorite stories of the cigar rollers at that time.
