The Annual La VIRGEN Exhibit 2018

PROSPECTUS

La Virgen de Guadalupe is not just about the church - SHE IS MEXICO

Curiously, the power of belief in the Virgin of Guadalupe has little to do with membership or attendance in the church. In fact, it is said that while 89 of 100 Mexicans are Catholic, it is certain that 100 of 100 Mexicans are Guadalupanas, devotees to the Virgin.
The Virgen is a symbol of the homeland, patriotism, nationalism. Judy King – Mexconnect

The Virgin Mary is known by many titles (Blessed Mother, Virgin, Madonna, Our Lady), epithets (Star of the Sea, Queen of Heaven, Cause of Our Joy), invocations (*Theotokos, Panagia, Mother of Mercy*) and other names (Our Lady of Loreto, Our Lady of Guadalupe). All of these titles refer to the same individual named Mary, and are used variably by Roman Catholics, Eastern Orthodox, Oriental Orthodox, and some Anglicans. A few of the titles given to Mary are dogmatic in nature. Many other titles are poetic or allegorical and have lesser or no canonical status, but which form part of popular piety, with varying degrees of acceptance by the clergy. Yet more titles refer to depictions of Mary in the history of art.

Please contact us for more information. picturethisgallery@gmail.com 562.233.3726
